

April Newsletter!

HERE'S A ROUND UP OF THE LATEST...

We have had a few memorable events at Cubo over the last month, with new members HeyYou Digital joining us and celebrating their 1st anniversary and Bamboo Cloud Limited taking 12 Hot Desk memberships in Derby, to name just a few! We welcomed communications company EVAD to their new office at the beginning of the month and Tadiwa Mutasa, of Sunshine Support,

joined us on the 8th as a Hot Desk member. G2 Recruitment joined in Nottingham, taking an office for 30 people! Along with Harmony Lets, The Big 4 Ltd and Capella Professional all taking office space in Nottingham. We celebrated International Women's Day on the 8th, and with 95% of the Cubo family being women we thought it was a momentous occasion.
