## New Members This Month

### Nottingham

Nottingham welcomed [Beauhurst](#) this month taking a 30-person private office along with a board room. Rob Atlas with Ad Spaces joined us with a 2-person office and we have had an abundance of new hot desk members at Nottingham this month welcoming Teach First who are a returning member, Lauren Schaefer, Charlie Robinson, [upReach](#) who have a multi hot desk membership and Infor Housing Ltd.

### Sheffield

Sheffield welcomed software company [Inviga](#) taking a private office and Koncept Rail Ltd also took up residence in our Sheffield office this month. The drive for Koncept Rail Ltd was a desire to meet face to face and have a spacious environment in which to work and meet clients. [ProgressTeaching](#) have recently taken a hot desk in Cubo Sheffield. They are making the most of the facilities at Cubo Nottingham, Derby and Sheffield to hold their regular company meetings and using the hot desk arrangements to allow their team to work flexibly.

ProgressTeaching is working with schools in Sheffield and across the UK to improve teaching for better student outcomes.

## Derby

Derby has welcomed three new private office members, [Major Recruitment](#) who joined us in August, Derby Community Parent Programme Community Interest Company and Work Psychology who both joined us in September. New hot desk members this month are Adam Betteridge at [Logicalis UK Limited](#), Ho Phuong Lan DANG and Gregory Warren. Stonewall Recruitment have had 3 new starters this month, Jay, Sian and Feruz who have all joined their Derby branch.

## Thank you for your support!

We raised a huge **£810.15** for Macmillan Cancer Support this month! We want to say a massive thank you to each and every one of you that made a donation and to all of our members for baking cakes and joining the Mam Tor Hike to support a great cause.

## **Member Testimonials**

### **Major Recruitment**

"I can honestly say I have never wanted to come to work more than I have since we opened our Derby Branch in the CUBO offices. Everything about it, the reception staff, the operations team and the Barista. We have got to know some of the other members too who are all so lovely." Carrie Heldrieck, Branch Manager, Derby

### **Rikki Roche**

"I was looking for a sociable, relaxed environment to work remotely away from my family home. I've been really impressed by the office space and customer services so far. If anyone wants to talk work I'm a Senior Consultant specialising in delivering change and transformation across public and private sectors, and if anyone wants to talk social lets grab a drink!" Rikki Roche, Derby
